SUMMER READING 2024 IS COMING!

A passport to adventure awaits you at the Milford Town Library! This year the Youth Services staff have designed a passport full of fun community and literacy activities for youth to complete through the summer. For every activity youth complete they receive a sticker for their passport and a vote toward our community prize. Youth who complete 15 of the 20 activities earn the grand prize!

We also have a full calendar of free fun. From weekly programs to special events there's something for everyone at the library this summer!

Passport registration begins on Monday 6/10 and will be ongoing through July.
Programs run from Monday 6/24-Friday 8/2.

Ask staff for more information!
