The Friends of the Milford Town Library support programs that entertain us, educate us and encourage us all to read.

If you take advantage of just one free program or service a year that the Friends sponsor, your membership dues are more than paid back to you.

Remember, supporting the Friends is your active way of supporting the Milford Town Library.

As a member of the FMTL, you will receive the Library’s quarterly newsletter, thereby keeping you up-to-date on the latest events at the Library. Members receive the Friends’ newsletter in February and August.
